

# YOU ARE INVITED!

NABCA presents "BOOSTER U" a workshop designed by industry and booster club leaders - for booster clubs and parent groups!

"BOOSTER U" workshops are designed to provide the leadership guidance, educational training and experience necessary to help booster clubs and parent groups succeed.

"BOOSTER U" workshops are open to all booster club and parent group officials, volunteers, school administrators, coaches and those interested in supporting the continuation of extracurricular programs that keep our kids in school, out of gangs and off drugs.

Workshops are held in regional markets nationwide to provide ease in attendance.

*"Every booster advisor needs to attend this workshop - I learned so much about how to lead my booster club."*

Sandy K.

*"I have coached for over 15 years and wish my booster clubs would have attended a Booster U. The teachings are invaluable."*

Ken P.  
High School Coach

*"I wasn't sure what to expect before I attended the Booster U workshop, but the information I left with has helped our group immensely. I would highly recommend attending a Booster U if you serve on a booster club or parent based committee."*

Sharon N.

*"The information and training that is provided at the Booster U workshop is a must have for every booster club and parent group."*

Lloyd D.  
ISD School Superintendent
